

VILLAGE ART CLUB MEMORIAL & LIVING TRIBUTE PROGRAM

As a 501(c)(3) organization, the Village Art Club of Bella Vista can accept memorial contributions (the giver does not have to be a member of the Club). Memorials/donations may be designated for the Scholarship Fund or the Village Art Club of Bella Vista.*

Gifts don't have to be memorials; they can also be given as a living tribute to recognize a person who has done something special or who represents someone special to the giver.

When memorial gifts are received, a card is sent to the family of the person being honored (gift amount is not indicated), and another sent to the person giving the gift.

The Program also accepts donations through wills and trusts. These arrangements can be set up at any time with an attorney.

*Any other designated gift or item must have the approval of the Executive Committee before being accepted. The Executive Committee will determine the appropriateness of any recognition/plaque stating the name of the donor or honoree.
